Dear Ken,

Enclosed is the \$65.00 that was sent to me from the ARRL. Please make note in your log and the clubs record that this donation is from the article in QST and that Fred Linn W9NZF is also contributing his share since the article contained both of our stories. I checked with Fred, and it is his wish that his share of the money be contributed also.

We both would like this money to be marked for the repeater fund.

Thanks and 73's

Jim WB9LNU
